

# Sunbeam Mini Downlight

An adjustable miniature LED version of our best-selling Sunbeam C, the Sunbeam Mini range is suitable for interior use, and perfect for creating lighting effects in areas where space is at a premium.

It utilises a Citizen COB LED, which produces a warm 2700k tungsten-like light, with a standard optic beam width of 26°.

Format	Product code	Installation	Beam angle	Weight	Cut out	Wattage	Efficiency	Forward voltage	Current	Colour temperature	IP Rating	Lumen output	Standard finish
Adjustable	D2027	Interior	26°	0.03kg	38mm	3.1w	120lm/w	9.0v	350mA	2700k	IP20	231lm	White

Additional finishes are available on request. All fittings will require a driver. Photometry (IES file) and installation instructions are available on request. Patent pending. Designs registered with GOV.UK
